Readers can't stop talking about the new thriller — and now a Silent Patient movie is in the works, with one very big name attached!

**The Silent Patient** by Alex Michaelides

According to Deadline, Brad Pitt's Plan B along with Annapurna have optioned film rights to Alex Michaelides's bestselling thriller debut, which came out in early February. A #1 New York Times bestseller, *The Silent Patient* centers on criminal psychotherapist Theo who works with Alicia, a London artist who inexplicably shot her husband years ago — and then stopped speaking. In order to discover the dark truth, Theo must get Alicia to talk.

THE SILENT PATIENT has been praised by readers and critics alike, with Entertainment Weekly calling it “an unforgettable — and Hollywood-bound — new thriller” with “a mix of Hitchcockian suspense, Agatha Christie plotting, and Greek tragedy.” People also called it an “impressive, immersive debut,” referring to Michaelides as “a writer to watch.” In a tweet, author Alex Michaelides shared his enthusiasm about the big news. Really excited to announce Plan B and Annapurna are developing THE SILENT PATIENT as a movie,” he wrote. “Officially all my dreams have come true.”

As part of a three-year contract, Brad Pitt's Plan B and Annapurna worked together in producing *IF BEALE STREET COULD TALK* and *VICE*, which garnered them two Oscar wins and 11 nominations. Plan B, run by Pitt along with Dede Gardner and Jeremy Kleiner, was also the production company behind *12 YEARS A SLAVE* and *MOONLIGHT*, both of which won the Academy Award for Best Picture. Annapurna chief content officer Sue Naegle and film division president Ivana Lombardi will help oversee the adaptation of THE SILENT PATIENT.

*On another note, I'm putting together a list of "Twisty" mysteries. Some old and some recent. I would like to add any others that you all have read. I've been checking the ratings I've given ones I've read in the past and find if the book reminded me of an earlier book it would get a rather low rating. For instance Jody Piccoult's SALEM FALLS so reminded me of other Salem witch tales that I gave it a 2.5 But her other books on the list were a 4.5 and a 5.0. It's a good thing that several on the list have received "5's" from me and some I want to reread. The library has most of them .*
