### Instructions

---

1. Take your cereal box and cut one side out. Draw a stand on it in the shape you like *(can be a square, rectangle, circle, or island)*.
2. *Optional:* Decorate the stand.  
**Mod Podge:** Apply a thin layer of glue or mod podge to the stand. Place tissue paper on the mod podge. Apply a thin layer of mod podge over the tissue paper and let dry.  
**Paint:** Paint the stand using acrylic paint and let dry.
3. Cut your toilet paper and paper towel rolls to the length you want them to be. *Tip: may want to cut a variety of sizes.*
4. *Optional:* Decorate the cut toilet paper and paper towel rolls using either mod podge or paint.
5. *Optional:* Add washi tape to the edges of the stand and toilet paper rolls.
6. Place the rolls on the stand and arrange them as you like.
7. Glue down the rolls to the stand. If using super glue or an hot glue gun, press down for 10 seconds until the glue is dry.
8. That's it, your organizer is done and ready to use!
