

TEEN TUESDAY

# DIY KAWAII BOOKMARKS

## Materials

Paper (construction or card stock is preferred), ruler, scissors, glue

### Step 1

Measure a 3"x3" square in the corner of the paper.

### Step 2

Measure a 3"x3" square directly above and to the left of the first square.

### Step 3

Create a diagonal line on the top square and the left square.

### Step 4

Erase the unnecessary lines.

### Step 5

Cut along the perimeter of the outline.

### Step 6

Erase the remaining lines.

### Step 7

Fold over the corners. (Hint: use the ruler to make straight creases.

### Step 8

Glue the top flap over the bottom flap to create a corner for the bookmark.

### Step 9

Decorate your bookmark. Use markers and stickers to create some fun designs!
