

Franklin T-Mobile T9 Hotspot

Contents: Mobile Hotspot with Li-Ion battery; Micro USB wall charger

Use: Mobile Hotspot may connect up to 10 Wi-Fi enabled devices

How to connect:

1. Press and hold the Power button on the top to turn on the device.
2. The wireless network (SSID) and password can be found on a sticker on the back of the Hotspot.
3. On your device, select Wireless Network (ex: YLPL Hotspot 1) and click Connect.
4. Enter the password from the back of the Hotspot when prompted, then click Next.

To turn off the Hotspot:

Hold the Power button for 5 seconds. Device will state 'Goodbye' when properly turned off.

Returning:

Please fully charge the Hotspot until the LED indicator shows the battery at 100% before returning it. All hotspots must be returned **inside the library** to a staff member during operating hours.
